Year Group Weekly Update: Year 5

This week our wonderful Year 5 students have been creating parachutes and measuring their air resistance. As it has been Science week the children have also been looking at black holes in Space, this raised a lot of curiosity we may have some future astronauts among us. The after school clubs have been a big hit Miss.Robinson has said she has some Yoga enthusiasts who have demonstrated some stretch-tastic moves! Our Football team are excited as they have their first game next week, so we are wishing them luck.
