DIAMOND HALL
JUNIOR ACADEMY
IS A WONDERFUL
community.

Welcome

to Diamond Hall Junior Academy

At Diamond Hall Junior Academy you'll find a wonderful school community. Ask anyone of our 300 children and they will tell you that they care for, support and encourage one other to do their best every day.

At Diamond Hall, we teach our pupils to be ready to learn, respectful and safe in school, online and in the wider community. Our staff foster children's interests, personalities and individual needs to support them in becoming well-rounded citizens .

It is a privilege to be headteacher of our ever-growing school where, as part of the North East Learning Trust, we strive to ensure each child experiences excellence every day. Our 7-11 year olds come from a wide variety different backgrounds and cultures and we are extremely proud of this diversity.

Our wonderfully talented children are the great strength of our school and deserve the very best. We offer a broad, balanced and aspirational curriculum, that ensures academic

excellence as well as meeting children's social and emotional needs. I am continuously impressed by our children's personal development and their achievement both academically and in the many extra-curricular activities we offer.

Generations of families have been successful pupils at Diamond Hall Junior Academy and we are proud of their ongoing achievements and our school's place at the heart of their community. With this as our foundation, I whole-heartedly believe that together we can work together to ensure the highest aspirations for all our pupils are achieved.

**A PLACE WHERE
CHILDREN CAN**

sparkle

From our crop of talented young singers and musicians to our inquisitive explorers, animal enthusiasts, astronomers and gardeners, every child is valued and given the opportunity to pursue the things that make them happy.

Skills and talents are given room to grow and in addition to the academic aspirations we instill in them, children are genuinely encouraged to pursue their own individual dreams, whatever they may be. This could be through our extensive range of extra-curricular opportunities or by focusing extra attention on a particular skill or interest within the curriculum - at Diamond Hall Junior Academy, every child is given their chance to shine.

Success is regularly celebrated, from big achievements like our regional choir wins, to everyday small accomplishments like reaching a target or mastering a task they found difficult.

Through access to fantastic academic and extra-curricular opportunities, children leave us resilient, ambitious and well prepared for the big wide world of secondary school and poised to grow into marvellous young adults.

HIGH *aspirations*

Children who attend Diamond Hall are educated in a very safe and happy environment. Our academic performance is consistently good with children making good progress regardless of their ability or background.

In our most recent Ofsted inspection (2014) we were judged to be 'good' in all areas with inspectors commenting that our teaching is good with an increasing proportion outstanding. They said: "Teachers use a wide range of methods to engage pupils in learning and this motivates pupils to make good progress pupils achieve well as rigorous checks are kept on their progress across the school." They also recognised our pupils "enjoy coming to school to work and to play with either friends ... they move around the school with care, are well-mannered, courteous and take a pride in their school."

Our curriculum is balanced, relevant and responsive and offers children the opportunity to be the best 21st century global citizens they can be.

Children are taught to be ready, respectful and safe. This expectation permeates all aspects of the school with our commitment to it formally accredited through our recent Rights Respecting School Award, from UNICEF. The award recognises our efforts to put children's rights at the heart of our school.

OUR *vision*

OUR VISION, ALONG WITH ALL SCHOOLS IN THE NORTH EAST LEARNING TRUST, IS THAT EVERY CHILD EXPERIENCES EXCELLENCE EVERY DAY.

OUR *school ethos*

Diamond Hall Junior Academy is a safe, positive, stimulating, challenging and happy school where the development of the whole child is paramount. We ensure children are given every opportunity to thrive in an environment of high aspirations, care and mutual respect. Their work is valued and celebrated and all children, regardless of their abilities, are of equal worth.

Children, staff, governors, parents and the wider community work together in close partnership to attain high standards and each child is empowered to reach their full potential. Pupils are instilled with a sense of self-belief and personal achievement as well as being encouraged to think critically, creatively and independently to face the challenges of the future with confidence. A readiness to support and care for the environment underpins everything we do.

OUR *aims*

We aim to achieve the highest possible standards in all areas for every child. Through a broad and balanced curriculum we promote the spiritual, social, moral, cultural, intellectual and physical development of children, preparing them for future opportunities and experiences in life.

A young girl with dark hair and glasses is smiling while reading a book. She is wearing a red cardigan over a white collared shirt and a dark vest. The book she is holding has a cover with the word 'SAVIVORES' and an image of a bear. The background shows a library with bookshelves filled with books. A red oval graphic is overlaid on the right side of the image, containing text.

Supported by the
NORTH EAST LEARNING TRUST

In September 2017 Diamond Hall Junior Academy joined the North East Learning Trust, a highly successful multi-academy education Trust which spans the North East of England.

The Trust's vision is simple and shared by all schools who join the family: that 'every child experiences excellence every day'.

The Trust's founding school, The Academy at Shotton Hall, has achieved great success for their children by securing some of the best outcomes in the country including two consecutive outstanding judgments from Ofsted.

Shotton Hall is also one of just 23 research schools chosen to pioneer research in education across the North East. In addition the Trust's teacher training arm, Shotton Hall SCITT, ensures the highest standards of teaching are instilled from the outset. This means that Trust schools can access a steady stream of consistently high quality new teaching staff to meet their workforce needs.

In 2019 Trust sponsored school, Teesdale School and Sixth Form in Barnard Castle, was awarded a Grade 1 'outstanding' judgement from Ofsted in all areas just three years after joining the Trust with a Grade 3 'requires improvement' rating. The Ofsted report specifically highlights the hugely positive impact that being part of the Trust has had on the school and how the intervention has led to its rapid turnaround.

Being part of the Trust gives Diamond Hall Junior Academy access to outstanding leaders who are involved in the regional and national development of education and in return we will share our significant success and experience in the primary sector with other trust schools.
