1. Introduction

Our Academy is part of the North East Learning Trust and we are committed to providing pupils with a caring and safe environment within which individuality can flourish, allowing them, without hindrance, to live their lives to the full in as many spheres as possible. Everyone has the right to be treated with kindness and respect and to be properly supported if they are not. Bullying of any kind is deemed unacceptable and will always be taken seriously and acted upon.

At our Academy, we have guidelines that children should follow to ensure that bullying is dealt with promptly and in a sensitive manner. We are a TELLING school. This means that anyone who knows that bullying is happening is expected to tell the staff.

2. Aims

The aims of the policy are to:

- Ensure a safe environment for all pupils at the Academy.
- Emphasise the fundamental importance of establishing and maintaining a positive, caring ethos within the Academy.
- Establish an atmosphere where bullying is regarded as unacceptable.
- To raise general awareness so that the whole school can play its part in recognising bullying and to act when it occurs by preventing or responding appropriately to it.

3. Objectives

The objectives of the policy are to:

- Ensure that all pupils, parents/carers, staff, and Governors can recognise what bullying is, know what the policy is on bullying and what to do if it occurs.
- Conduct staff training to maintain the high profile of the anti-bullying policy and to introduce new initiatives.
- Build understanding and discussion of anti-bullying and related topics into the Personal Development programme.

- Confirm frequently that pupils will always be supported if bullying is reported.
- Ensure that whenever someone knows that bullying is happening, someone is told about it, or something is done.

Work with other professional agencies when necessary to keep children safe.

4. Legislation

This policy has been written in accordance with the following legislation and statutory guidance:

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010

- Reassure your child that the Academy will act on the information.
- Agree the next step with your child.
- Speak to your child's teacher who will ensure that an investigation is undertaken.
- Maintain contact with the teacher until the matter is resolved.

6.5 Pupils

Pupils should:

- Speak with parents/carers to let them know what is happening.
- Accept help and support that is offered by the Academy.
- Speak with a member of staff should they witness any form of bullying in the Academy.

7. Definition of bullying

Bullying is "behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017).

Pupils understand that bullying happens 'several times on purpose'.

Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

Bullying can be a form of child-on-child abuse and can be emotionally abusive; it can cause severe and adverse effects on children's emotional development.

Bullying may involve an **imbalance of power**, which can be physical, psychological, social or related to vulnerability.

8. Types of bullying

Online bullying: through e-mail, instant messaging, internet chat rooms and electronic gadgets such as camera cell phones, cyber bullies forward and spread hurtful messages and/or images. Bullies can use this technology to harass victims at all hours.

Emotional bullying: this can be subtler and can involve isolating or excluding a child from activities. For example, shunning the victim at lunchtime or on a school outing. This type of bullying is especially common among girls.

Physical bullying: this form of bullying can accompany verbal bullying and involves such things as kicking, hitting, biting, pinching, hair pulling, or the threat of physical bullying.

Verbal bullying: this usually involves name-calling, incessant mocking, and laughing at someone else's expense.

Racist bullying: this form of bullying involves racial jokes, racial name-calling, offensive gestures, or inappropriate comments. Pupils have the right not to be singled out, ostracised or held responsible, whether by peers or adults, for the actions of others, because of their or their family or community's religious belief or ethnic background.

Sexual bullying: this involves unwanted physical contact or sexually abusive comments. Sexual bullying can be seen as sexual harassment in schools. Behaviours may involve sexual comments or innuendo, including offensive comments about sexual reputation; or using language that is designed to subordinate, humiliate, or intimidate.

Sexist bullying: this is bullying based on sexual attitudes that when expressed demean, intimidate, or harm another person because of their sex or gender. These attitudes are commonly based around the assumption that women are subordinate to men, or inferior. Sexist bullying may sometimes be characterised by inappropriate sexual behaviours

Homophobic bullying: this occurs when bullying is motivated by a prejudice against lesbian, gay, trans or bisexual people.

Emerging forms of harm may include bullying linked to misinformation, disinformation or online influence; abuse related to the use of artificial intelligence or digital manipulation (such as deepfakes); and harm occurring through online communities, gaming platforms or anonymous online spaces.

9. Identifying signs of bullying

The behaviour of children, young people and adults is not easily understood. Changes in behaviour may have many causes. Being bullied can be one reason why behaviour changes and there is a need to be alert to the possibility that this may be the case.

Pupils who are being bullied may:

- Become withdrawn, clingy, moody, aggressive, and uncooperative.
- Behave in immature ways.
- Have sleep or appetite problems.
- Have difficulty concentrating.
- Show variation in academic performance.
- Have cuts, bruises, aches, and pains without adequate explanation.
- Request extra money or start stealing.
- Have clothes or possessions that are frequently lost or damaged.
- Complain of illness more frequently.
- Show a marked change in a well-established pattern or behaviour e.g., sudden loss of interest in activities, changing times of coming and going from home, reluctance to leave home, a request to change school, a refusal to return to a place or activity, experimenting with drugs or alcohol.

10. Responding to incidents of bullying

The following steps may be taken when dealing with all incidents of bullying reported to the Academy:

- If bullying is suspected or reported, the incident will be dealt with immediately by an appropriate member of staff.
- The Academy will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- A member of school staff will interview all parties involved.
- The designated safeguarding lead will be informed of all bullying issues where there are safeguarding concerns.
- The Academy will inform other staff members, and parents/carers, where appropriate.

- Sanctions (as identified within the Behaviour Policy) and support for individuals will be implemented as appropriate.
- If necessary, other agencies may be consulted or involved, such as: the police (if a criminal offence has been committed) or other local services including early help or children's social care (if a child is felt to be at risk of significant harm).
- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the Academy will ensure that the concern is fully investigated. Appropriate action will be taken, including providing support and implementing sanctions at the Academy in accordance with the Academy's Behaviour Policy.
- A clear and precise account of the incident will be recorded using STARS (Behaviour) and/or CPOMS (Safeguarding) recording system. This will include recording appropriate details regarding decisions and action taken.
- Bullying incidents will be regularly reviewed and analysed by the DSL/SLT to identify patterns, trends and groups at risk, informing preventative actions.

11. Low Level Concerns

The Academy recognises that repeated low-level behaviours (e.g. unkindness, banter, discriminatory language) can escalate into bullying. These will be recorded and addressed early to prevent escalation and to identify patterns.

12. Online/Cyber bullying

When responding to cyberbullying concerns, the Academy will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the Academy systems.

- identifying and interviewing possible witnesses.
- contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the Academy's Behaviour Policy.
 - Requesting the deletion of locally held content and content posted online if they contravene Academy policies.
 - Ensure that sanctions are applied to the person responsible for the cyberbullying; the Academy will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
 - Inform the police if a criminal offence has been committed.
 - Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply.
 - providing advice on blocking or removing people from contact lists.
 - helping those involved to think carefully about what private information they may have in the public domain.

12. Supporting pupils

The Academy will support pupils who have been subject to bullying by:

- Reassuring the pupil and providing continuous support.
- Offering an immediate opportunity to discuss the experience with their teacher, the designated safeguarding lead, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how respond to concerns and build resilience as appropriate.

- Working towards restoring self-esteem and confidence.
- Providing ongoing support; this may include working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider school community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Specialist Children's Services, or support through Child and Adolescent Mental Health Services (CAMHS).

Pupils who have perpetrated the bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.
- Sanctioning, in line with the Academy's behaviour policy; this may include official warnings, detentions, removal of privileges (including online access when encountering cyberbullying concerns), and fixed-term or permanent exclusions.
- Where necessary, working with the wider school community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Specialist Children's Services, or Child and Adolescent Mental Health Services (CAMHS) as appropriate. Pupils who have perpetrated the bullying will be helped by:

13. Preventing bullying

The Academy will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration, and care for others, which will be upheld by all.
- Ensure we promote a zero-tolerance approach to bullying.

- Recognise that bullying can be perpetrated or experienced by any member of the Academy, including adults and children (peer on peer abuse).
- Educate children through PSHE programmes and theme weeks such as Anti-Bullying week.
- Openly discuss differences between people that could motivate bullying, such as: religion, ethnicity, disability, gender, sexuality, or appearance related difference. Also, children with different family situations, such as looked after children or those with caring responsibilities.
- Challenge practice and language which does not uphold the values of tolerance, non- discrimination, and respect towards others.
- Ensure pupils understand that all staff can be approached to listen/help.
- Ensure early identification through staff vigilance, pupil voice, and clear reporting systems.
- Be encouraged to use technology, especially mobile phones, and social media positively and responsibly.
- Work with staff, the wider school community, and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create “safe spaces” for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

14. Education and Training

The Academy will:

- Train all staff using face to face sessions and Educare online training, including teaching staff, support staff (e.g., administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the Academy’s policy and procedures (including recording and reporting incidents).
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school council.

- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.
